TOP DAWG™

Reflection Connection, Lustre Restorer

Mop-On Restorer Concentrate

TOP DAWG has been precision formulated to match the composition of Reflection Connection Floor Finishes. Its unique Reactive Polymer Matrix (RPM) utilized the heat produced by Ultra High Speed (UHS) burnishing equipment to create a spectacular, highly reflective "wet look" gloss. A daily burnishing program, featuring TOP DAWG repairs scratches and marks, enhances finish durability and extends finish life. TOP DAWG is a must for superior floors.
