MACHO WIPES are a waterless cleaner that cuts through tar, grease, wax, ink, paint, lubricants and adhesives. Unlike other products MACHO WIPES are extremely versatile. Use them for almost every job from loosening and dissolving tough grime off of stainless steel tools to wiping up oily spills. These non-scratching, citrus scented towels are industrial strength but also gentle-fortified with an emollient and natural oils so they won't crack or dry hands. They are the perfect product when you don't have access to water. And they don't leave an annoying residue. No matter what the use, you'll find that MACHO WIPES are the perfect solution.
