DIESEL CLEAN™

CETANE-IMPROVING DIESEL ADDITIVE

DIESEL CLEAN is specially formulated to provide cetane enhancement in both high and low sulfur diesel fuels. When add into fuel it offers better detergency to provide easier starts, faster warm-ups and less engine noise due to increased engine efficiency and power. DIESEL CLEAN reduces deposit buildup and promotes system cleanliness which increases engine power and extends engine life. Directions add 1 pint to 25 gallons of fuel or 1 gallon to 200 gallons of fuel.
