# MIGHTY MAT™

**PROTECTS FLOORS FROM STAINS, DISCOLORATION AND URIC ACID DAMAGE**

MIGHTY MATS are loaded with anti-microbial neutralizer that keeps bacteria and odors from forming. The top of the mat is comprised of a thin layer of polypropylene fibers. During heavier usage, droplets of urine readily disperse across the mat, activating more of the anti-microbial neutralizer, and then evaporating into the air, keeping the mat relatively dry. The mat bottom is covered in a rubber backing to keep it in place. MIGHTY MATS are totally disposable. Just roll them up and discard in the trash. Also ideal for floor protection in any waste area.

## AREAS OF USE

SCHOOLS
INSTITUTIONS
OFFICE BUILDINGS
INDUSTRIAL PLANTS
LOCKER ROOMS

## APPLICATIONS

UNDER URINALS
UNDER SINKS
AROUND GARBAGE PAILS

## TECHNICAL DATA

**FORM: Solid Mat**
**ODOR: Faint**
**COLOR: Gray**
**DETERGENCY: N/A**
**TOXICITY: Non-Hazardous**
**WETTING ABILITY: N/A**
**STORAGE STABILITY: 1 Year +**
**COLD STABILITY: 32° F**
**PHOSPHATES: N/A**

**FLASH POINT: N/E**
**FLAME EXTENSION: N/A**
**SOLUBILITY IN WATER: Miscible**
**SPECIFIC GRAVITY: 1.05@20C**
**% VOLATILE BY VOLUME: 0**
**pH: (20C) :7.8 (neat)**
**EVAPORATION RATE: Unknown**
**BIODEGRADABILITY: No**
**VISCOSITY: Solid**
