BUCKET OF BEADS™

Bead Bag "Air-Flow" Air Fresheners

Honeysuckle, Orchard Spice, Vanilla, Fresh-n-Clean, Potpourri, Tearose, Orange, Cherry, Sea Breeze, Plumeria ,Green Apple, Strawberry

Here is a truly innovative air freshener that has hundreds of applications. Made from pure poly ethelin plastic, the fragrance and color are blended throughout the plastic, releasing the air freshener for an exceptionally long period. The plastic beads are packaged in our "Air-Flow" nylon bag that is air permeable. The bag releases the fragrance, but not the beads. Bead bags use no harmful chemicals and are recyclable when finished. Bead bags are packed 24 per bucket.
