Ideal for workout mats, i.e.; wrestling mats and bench applications. Removes organic deposits prior to disinfecting.

AZ-14™

Foaming Germicidal Cleaner

AZ-14 is designed for general cleaning and disinfecting. When used as directed, this product is formulated to disinfect inanimate hard surfaces. In addition this product deodorizes those areas, which are hard to keep fresh smelling. This product demonstrates effective disinfection against staphylococcus aureus, salmonella choleraesuis and pseudomonas aeruginosa, thus meeting requirements for hospital use. Efficacy tests have demonstrated that this product is an effective one-step cleaner disinfectant in the presence of organic soil (5% blood Serum). This broad-spectrum germicide is an excellent convenience product for a variety of cleaning tasks. Powerful foaming action extends "hang time", making it convenient for use on vertical surfaces.
