Dining Services

The contract shall be for five years with an option to renew another five years.

The financial offer from Sodexo was more of value than the one from Thompson Hospitality.

The first five years there is a difference of \$1,215,000. This is because of the capital investment, (+265,000)

Sodexo also offered more in-kind catering (75,000). Sodexo offered to set aside \$250,000 for interns. Thompson Hospitality offered to hire interns, but no amount was given that would be set aside for the internships.

The dining services and scope of services to be offered were detailed in the RFP and the offerers response.
