GREASE OUT™

Powerful Grease Emulsifier

"The Drain Line Shocker"

GREASE OUT is a totally organic citrus solvent formula that is environmentally correct while providing powerful degreasing solvency and deodorizing action. This unique, multipurpose concentrate emulsifies in water at ambient temperature to penetrate and liquefy grease, oil, fats and organic buildups. Because of powerful natural citrus terpenes, malodors are eliminated even under the most difficult of conditions. This product adds degreasing power to most detergent cleaners. It is unexcelled as a deodorizing drain cleaner and maintainer. Ask your Account Manager about an automated drain system.

AREAS OF USE

SCHOOLS
APARTMENTS
HOSPITALS
MUNICIPALITIES
NURSING HOMES
INDUSTRIAL PLANTS
COMMISSARIES
HOTELS/MOTELS
PLACES OF WORSHIP

APPLICATIONS

GREASE
OILS
FATS
ORGANIC BUILDUPS
LIFT STATIONS

KITCHEN FLOORS
GLUE/GUM REMOVAL

TECHNICAL DATA

FORM: Liquid
ODOR: Citrus
COLOR: Clear , light orange
DETERGENCY: Light
TOXICITY: N/A
WETTING ABILITY: Excellent
STORAGE STABILITY: Indefinite
COLD STABILITY: 32ºF
FLASH POINT: >190F (TCC)
FLAME EXTENSION: N/A
SOLUBILITY IN WATER: Dispersible
SPECIFIC GRAVITY: 0.858
pH: N/A
EVAPORATION RATE: (water =1) >1.0
BIODEGRADABILITY: Yes
VISCOSITY: Thin
