SEWER TROL™

Power Granular Sewer Solvent

SEWER TROL is a free-flowing red, color-coded granular powder that quickly dissolves and removes organic impediments from sanitary sewer lines, lateral lines, lift stations, injector pots, storm sewers, grease traps, pumping stations, or whatever organic blockages occur. Upon contact with water, an exothermic reaction occurs, generating enormous amounts of heat, non-flammable gas pressure and a strong alkaline detergent solution. Safe for all normal drain lines, septic tanks, grease traps, etc. This effectively balanced formula contains strong alkaline hydroxides, metallic activators, non-flammable gas producing agents, penetrants and disputants.

AREAS OF USE

INDUSTRIAL PLANTS
SCHOOLS
HOTELS & MOTELS
OFFICE BUILDINGS
RESTAURANTS

APPLICATIONS

SANITARY SEWER LINES
LATERAL LINES
LIFT STATIONS
INJECTOR POTS
STORM SEWERS
GREASE TRAPS
PUMPING STATIONS

TECHNICAL DATA

FORM: Granular Powder
ODOR: Slight
COLOR: Reddish Purple
DETERGENCY: N/A
TOXICITY: Hazardous
WETTING ABILITY: N/E
STORAGE STABILITY: 1 Year +
COLD STABILITY: 32° F
PHOSPHATES: None

FLASH POINT: None
BOILING POINT: N/D
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: N/A
% VOLATILE BY VOLUME: 95 +
pH: >14.0
VISCOSITY: Granular
EVAPORATION RATE: N/E
BIODEGRADABILITY: Yes
