JOHN BOY™

Automatic Toilet Bowl Maintainer

JOHN BOY automatic toilet bowl maintainer is made for all toilets. JOHN BOY comes in two scents, pink spice and green apple. Both are pleasant odors for any restroom. It coats the toilet bowl with cleaners and enzymes to help extend the life of the toilet bowl by eliminating rust and grime build up. JOHN BOY attaches to the toilet and goes to work deodorizing, no upkeep is necessary, just replace it when its effects can no longer be detected.
