D-DUST™

Water Based Airborne Dust Preventative

"A Safety Must"

D-DUST is the perfect solution for all of your dusty needs. To promote a safe working environment, D-DUST should be added to your preventative schedule on a weekly basis. Solution is to be dispensed using a pump up sprayer (ideal) into the air and allowed to settle on to floor surface. D-DUST is safe on most floor finishes. This unique formulation chemically charges the floor to attract airborne dust. It is non-flammable and VOC compliant.
