7.2 Unless the bidder specified otherwise in the proposal, Boswell may accept any item or group of items of any kind.

7.3 A written purchase order or contract award furnished to the successful bidder within the time of acceptance specified in the Invitation for Proposal results in a binding contract without further action by either party. The contract shall consist solely of these General Conditions, the Instruction and Special Condition, the successful bidder's bid, and the written consent of Boswell.

8. INSPECTION

Final inspection and acceptance or rejection may be made at delivery destination, but all materials and workmanship shall be subject to inspection and test at all times and places, and when practicable. In the event necessity requires the use of materials or supplies not conforming to the specification, payment therefore may be made at a proper reduction in price.

9. TAXES

Boswell Regional Center is exempt from federal excise taxes and state and local sales or use taxes and bidders must quote prices which do not include such taxes. Bidders may proposal lower than the U.S. Government contract price without any liability as the State is exempt from the provisions of the Robinson-Patman Act and other related laws. In addition, the U.S. Government has no provisions in any of its purchasing arrangements with a bidder whereby a lower price to the State must automatically be given to the U.S. Government.

Boswell reserves the right to waive any General Condition, Special Condition, or minor specification deviation when considered to be in the best interest of the state.

If a contract is canceled by Boswell due to a Contractor's request for increase in prices or failure to perform, that Contractor will be disqualified from bidding for a period of 24 months. The Contractor may cancel a contract for cause with the giving of 30 days written notice of intent to cancel. When replying to a proposal request on which an addendum has been issued, and the specifications require acknowledgement, the proposal shall indicate that provisions of the addendum have been noted and that the proposal is being offered in compliance therewith. Failure to make this statement may result in the proposal being rejected as not being in accordance with the revised specifications or plans.

19. NONRESPONSIVE PROPOSALS

Nonresponsive proposals will not be considered. A non-responsive proposal is considered to be a proposal that does not comply with the minimum provisions of the specification. Any bidder found to repeatedly offer alternated products that are not compliant with specifications in an attempt to obtain a contract on the basis of pricing only will be disqualified from bidding for a period of 24 months.
