Re: Assignment of Contract

Dear Kerry,

Please be advised that as of June 1, 2015, all interest and rights under certain contract dated November 9, 2011 entered into between Winshuttle LLC, a Delaware limited liability company (as successor in interest to ShareVis, Inc.) and University of Mississippi Medical Center (UMMC) was permanently assigned to Clear Process Solutions, LLC (CPS), an Ohio limited liability company, with its principal place of business at 180 Elm Court, Chagrin Falls, OH 44022. Please be advised that because of the proposed assignment all of the obligations and rights of the former party to this contract are now the responsibility of the new party to this contract for the following reason.

1. Clear Process Solutions has a functional expertise in supporting workflow processes outside Winshuttle's core domain knowledge in an SAP environment.
2. UMMC currently has several solutions running on the technology supported by CPS.
3. To our knowledge, CPS is the only service provider with the requisite skills to support the existing solutions UMMC has in place. We are not aware of any other vendors or resellers that offer similar services to support UMMC's existing solutions.
