ORANGE POWER PAD™

Absorbs up to 25x its weight in liquid

ORANGE POWER PADS high capacity absorption effectively picks up liquid from any surface or work area, creating a safe environment. It too can remove greases, oils, lubricants, water-based paints, and other heavy-duty soils. ORANGE POWER PAD, is non-toxic, non-hazardous, and non flammable. Real anti-static protection that leaves no residue and is low linting. The disposable, soft, high strength pad is ideal for cleaning hard, non-porous surfaces and can be used anywhere including but not limited to industrial facilities, auto shops, hospitals and schools'. ORANGE POWER PADS also tackles isopropyl alcohol, MEK and other solvents without falling apart due to its powerful solvent resistance.

AREAS OF USE

SCHOOLS
INSTITUTIONS
GARAGES
MEDICAL OFFICES
Boiler Systems

APPLICATIONS

OILS
