• DRAIN BUSTER™

•Advanced Drain Opener in Concentrated Powder Form

•Specifically Formulated to Clean and Maintain Problem Drain Lines

- Liquefies Grease, Oil, Fat and Soap accumulations that •cause blockages
- Eliminates Hair - Hair caught in the grease is dissolved •and easily flushed down the drain system
- Generates Heat - up to 140°F to flush away tough clogs, but heat levels remain low enough to guard against pipe damage
- Converts Waste Buildup - into a soapy solution that is carried out of your drain line system, a process called saponification

•The Solution to Messy Backups

•PRODUCT FEATURES & BENEFITS

- Fast Acting – Dissolves grease, hair, food and other organic drain blockages in seconds
- Restores and maintains free-flowing drains and drain lines
- Minimizes costly and filthy mechanical drain line cleaning
- Eliminates foul odors
- Contains a pleasant lemon fragrance
- Will not harm pipes and fixtures
- Will not harm most decorative fixtures including chrome and stainless steel
- Economical to use and easy to apply with conventional packaging
- Prevents future backups when used as part of a regular maintenance program
