NEOGEN®

The #1 Name

in Biosecurity Solutions

You know us as the manufacturers of **Synergize® Disinfectant**, **D3® Needles**, **Prima Tech®** syringes and markers, and rodenticides. Products that help keep PIGS healthy.

Now, COVID-19 has created a whole new challenge; keeping PEOPLE healthy. Because if people get sick, who cares for the pigs?

NEOGEN can help break the cycle of cross-contamination with our new line of PEOPLE-focused products.

Because you can't raise healthy pigs without healthy people.

COMPANION™ Hand Sanitizer

- Thick, quick-drying foam
- No sticky residues
- Exceeds CDC recommendations for control of COVID-19

COMPANION Disinfecting Wipes

- Ideal for frequently touched surfaces *(i.e. steering wheels, gear shifts, dashboards)*
- Fresh application of disinfectant for each use
- EPA-approved for control of COVID-19

BioPhene™ Spray Disinfectant

- For use in vehicle cabs *(i.e. floor mats, pedals, boots, small equipment, etc.)*
- Quick-drying and non-staining
- Pleasant, non-medicinal scent
