PRESTO™

Mop On Stripper

PRESTO is a USDA authorized wax stripper, which requires no scrubbing. Formulated with a synergistic blend of solvents and wax emulsifying agents. Lifts and removes floor finishes without scrubbing. Mop agitation is all that is necessary. Rinsing is usually not required. Saves time and labor, two of the most costly factors in floor care. Contains no ammonia. Ask your Account Manager about our Reflection Connection and our line of Pull-Man Holt floor machines.

TECHNICAL DATA

FORM: Liquid
ODOR: Mild-Solvent
COLOR: Clear
DETERGENCY: Strong
TOXICITY: 2 MG / M³
WETTING ABILITY: Excellent
STORAGE STABILITY: 1 Year +
COLD STABILITY: 0° F
VISCOSITY: Thin
FLASH POINT: None
BOILING POINT: 200º F
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.0
% VOLATILE BY VOLUME: 90% +
pH: 14
EVAPORATION RATE: Slow
BIODEGRADABILITY: Yes
