RICH FORMULA 120™

CAR WASH AND WAX

Rich Formula 120 is a concentrated detergent and wax in one, combining the activity of washing and waxing in one step. Rich Formula 120 cleans away dirt and road grim thoroughly and then it deposits a durable polish coating to provide a high-gloss finish that beads away water. It's safe on a wide variety of cars and vehicles, and rinses away easily with water and a chamois.
