NANO-TABS™

FLOOR AND HARD SURFACE

SINGLE DOSE PACKETS

NANO-TABS Floor and Hard surface has the power of lemon citrus and oxygenation, it cleans and deodorizes in a single application. NANO- TABS Floor and Hard surface is the perfect choice for mop bucket applications. Pre-measured packet delivers the perfect dosage every time. Packet dissolves completely in water generating a ready-to-use cleaning solution. NANO-TAB Floor and Hard Surface was designed to be used as an everyday floor and hard surface cleaner. Formulated to aid in the reduction of slip and fall issues.
