INTERCON™
the Cleaner... the Better™

Foaming Antibacterial Hand Soap *with Moisturizers*

Features:

- Helps Eliminate Bacteria & Viruses
- Mild, Gentle & Moisturizing Formula
- Made with .13% Benzalkonium Chloride
- Floral Fragrance

Description

Intercon's Foaming Antibacterial Hand Soap is made with .13% benzalkonium chloride and offers a liquid foaming formula that is dispensed as a foam when used with our refillable foaming dispensers. Our mild and gentle formula is built with moisturizers to keep hands feeling soft, while helping eliminate bacteria and viruses.

Safety Information

For external use only. Do not use in children less than 2 months of age or on open skin wounds. When using this product, avoid contact with eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water. Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition. Keep out of reach of children. If swallowed, seek medical attention or contact a Poison Control Center immediately. Store between 15-30 °C (59-89 °F) Avoid freezing and excessive heat above 40 °C (104 °F).
