Wear a NIOSH-approved respirator when misting is likely. Inhalation may cause burns to the nose, mouth and throat. Do not swallow.

FIRST AID

FOR SKIN CONTACT: Immediately remove contaminated clothing and shoes. Flush affected areas with large amounts of soap and water for 20 to 30 minutes. Get immediate medical attention. Discard clothing and shoes.

FOR EYE CONTACT: Immediately rinse the eyes with running water. Remove any contact lenses and continue flushing the eyes for at least 15 minutes. Hold the eyelids apart to ensure rinsing of the entire surface of the eyes and lids with water. Get immediate medical attention.

IF INHALED: Remove from the area to fresh air. If not breathing, clear the airway and start mouth-to-mouth artificial respiration. Get immediate medical attention.

IF SWALLOWED: Give 3 to 4 glasses of water, but DO NOT induce vomiting. If vomiting occurs, give fluids again. Get immediate medical attention. Do not give anything by mouth to an unconscious or convulsing person.

See the Material Safety Data Sheet for more information.

- **Eliminates mildew stains without scrubbing**
- **Removes body oils and soap film**

DANGER

CORROSIVE - CAUSES SKIN AND EYE BURNS
MAY CAUSE DELAYED LUNG INJURY AND BURNS
HARMFUL OR FATAL IF SWALLOWED
KEEP OUT OF REACH OF CHILDREN

(See the side panels for additional precautions.)

NET CONTENTS: 1 quart/946 mL

Suitable for use as a mildew stain remover in U.S. Federally inspected meat and poultry plants.

DIRECTIONS FOR USE

DO NOT MIX WITH ANY OTHER PRODUCTS, SUCH AS AMMONIA, ACIDS, RUST REMOVERS, BOWL OR DRAIN CLEANERS, OR VINEGAR. TO DO SO MAY RESULT IN THE RELEASE OF HAZARDOUS GASES.

NOTE

1. Avoid overspray on clothing.
2. Not for use on furniture, upholstery or resilient flooring tiles. Do not use on cotton, wool, silk or acetate. Test all surfaces for colorfastness before using.
3. Prolonged contact with metal may cause pitting and discoloration. Do not let stand on surfaces. Rinse all surfaces thoroughly before painting.
4. Do not use in copper, aluminum or iron containers. Use only in porcelain, glass, rubber, plastic or enamel-lined containers.

DO NOT DILUTE. Remove the cap and attach the sudsing attachment to the spray bottle. Spray onto precleaned surfaces. Let work and then rinse or wipe off.

To disinfect or sanitize surfaces and remove mildew growth and odors caused by mildew growth, clean surfaces first with a suitable EPA-registered disinfectant or sanitizer. Rinse surfaces thoroughly before applying DAYBREAK.

STORAGE RECOMMENDATIONS

Store upright in a cool, dry place with optimal temperatures not to exceed 80°F.

KEEP FROM FREEZING. If this product is stored in cold or freezing temperatures, it may separate or thicken. This will not harm the performance. Before using, warm to room temperature and stir thoroughly.

DANGER

Contains Sodium hypochlorite. Do not get on skin, in eyes or on clothing. Wear neoprene or nitrile rubber gloves, chemical goggles, a face shield and protective clothing when handling. Wash thoroughly after handling. Keep the container closed when not in use. Do not breathe the mist or vapor. Use sufficient ventilation to prevent the buildup of mist.
