Terms and Conditions

PRICES
All Prices are F.O.B. point. We reserve the right to change prices without prior notice.

ORDERING
Purchase Orders should be sent to Friant & Associates, LLC at orders@friant.com, or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA or Project Matrix, please send the worksheet (SP4) with your Purchase Order.

TERMS
Net 30 days from date of invoice. Invoices are delinquent if not paid 30 days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney's fee. 50% deposit is required with every order, unless prior arrangements have been made.

ORDERS
Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for its accuracy, and to notify Friant within 48 hours from the date of the acknowledgment of any discrepancies.

SHIPPING
Friant generally palletizes, boxes and/or shrink-wraps its products. If buyer requests additional packaging or special shipping, then it is responsible for any extra costs that result. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

CLAIMS
We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. The consignee should file for damage or shortages with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. Buyer must make all claims against Friant for defects, errors or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

RETURNS
No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

PARTIAL SHIPMENTS
We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

ORDER CHANGE — CANCELLATIONS
Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. Such requests are to be made in writing to our office.

SHIPMENT AND PREPAID FREIGHT
Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit.

DELIVERY
We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

STORAGE
If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account, and we will deem such transfer as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

Terms and Conditions

CONSTRUCTION — SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

FABRIC APPLICATION

Standard fabric application for panels 67" and below is horizontal application. Panels taller than 67" are only available in vertical application. When ordering panels 67" and below to match a panel taller than 67", specify vertical application.

Friant & Associates is not responsible for charges associated with replacement of products due to incorrect specifications.

CUSTOMER'S OWN MATERIAL

Yardage requirement is based on 66" wide plain covering material, and must be increased if less than 66" wide. Special instructions for handling material (pattern, directional fabric, right side of reversible fabric, etc.) must be submitted in writing before fabric is delivered. In the absence of special instructions, we reserve the right to use our own judgment. We reserve the right to reject any covering, which in our opinion, is unsuitable for our upholstery purposes. However, in no instance shall we be held responsible for unsatisfactory results due to use of covering unsuitable for our upholstery methods.

We will not be responsible for errors caused by buyers not supplying us with sample cuttings attached to their order giving full identification of covering material, (name of supplier, covering name, number and color) for identification purposes and advising us of model number and quantity to which each cover is to be applied.

Customer's own material that is shipped freight collect will be refused. A service charge will be applied for the return of unusable C.O.M. Contact factory.

RIGHTS AND WARRANTIES — LIMITED LIFETIME WARRANTY

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

High wear parts, such as wood veneer, fabrics, and other covering material/finishes, foam. glides, etc. are warranted for one (1) year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc. It also does not apply to "Customer's Own Material" (i.e. material specified by the customer that is not a standard Friant & Associates offering) used in the manufacture of Friant & Associates products.

Friant & Associates does not warrant the matching of colors, grain or texture, except to within commercially acceptable standards.

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e. product not leveled, not secured properly, etc.).

Except as noted above, Friant & Associates makes no express or implied warranties to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and replacement is the customer's exclusive remedy for any and all product defects.

Friant & Associates shall not be liable for consequential, economic, or incidental damages arising from any product defect.

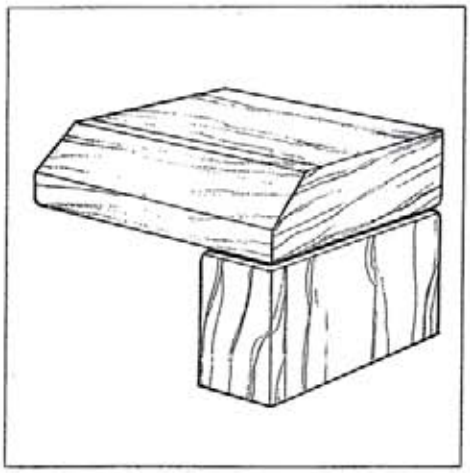
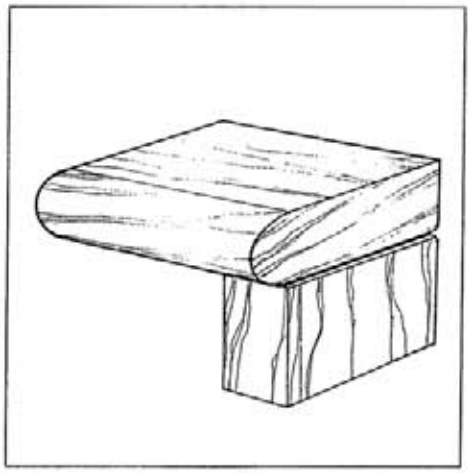
Group 4 - Veneer Top & End Panel with ¼" Wood Eased Edge, 1¼" Thick

Group 4 - Veneer Top with ½" Wood Radius Edge & Veneer End Panel with ¼" Wood Eased Edge, 1¼" Thick



Group 4 - Veneer Top with ½" Wood Bevel Edge & Veneer End Panel with ¼" Wood Eased Edge, 1¼" Thick



Group 4 - Veneer Top with ¾" Wood Bullnose Edge & Veneer End Panel with ¼" Wood Eased Edge, 1¼" Thick

PRODUCT SPECIFICATIONS

COMPONENTS OVERVIEW

The components section offers worksurfaces and supports available in a wide range of sizes and shapes. Components can be designed to meet specifications of various major O.E.M. sources (see below) for use in both new and used configurations. These worksurfaces are also suitable for generic systems use or can be adapted to fit with the systems products of other manufacturers. Also, because pedestals and modesty panels are available, full freestanding units can be built from the components found here.

When specifying components please use the following O.E.M. Manufacturer Codes: H.W. - Haworth; H.M. - Herman Miller; A.S. - AllSteel; S.C. - Steelcase; H.N. - Hon and T.N. - Teknion. (Company names are registered trademarks and are not associated with Friant.) These parts are authorized only by Friant and originate with Friant. Specifications are subject to change without notice.

Worksurfaces and supports can be made compatible with any other furniture system. Simply state manufacturer to be matched.

For orders of 50 or more worksurfaces, call the factory for pricing. Custom sizes and shapes are available. Contact the factory for assistance.

SPECIFICATIONS

LAMINATE SPECIFICATIONS & FINISHES

Friant uses 45lb density 1-1/8" industrial grade particle board. Our horizontal worksurfaces are finished with high pressure laminate on top and high pressure backing sheet on bottom. Particle board build-up is applied to increase thickness of tops when necessary.

Friant offers solid and woodgrain laminates with a "textured" finish by Wilsonart, Nevamar, Formica, and Pionite. Most colors and patterns are standard. Please consult factory to verify availability.

"Gloss" laminates have a high sheen, glass-like finish that is very susceptible to scratching. Gloss finishes require more expensive material and additional labor costs. Please consult factory for further information.

Laminates by other manufacturers are available and may be subject to additional costs. Call the factory for more information.

Note: Because Friant does not manufacture the high pressure laminates used in our products, we are subject to product modifications and price increases by the laminate manufacturer.

VENEER SPECIFICATIONS & FINISHES

Friant's standard veneers and solid hardwoods are White Oak, Walnut, Cherry and Maple. Other veneers, such as Rift Oak, Ribbon Mahogany, Birdseye, or special woodgrains are also available. Call the factory for pricing.

Please call the factory for information on special wood stains and finishes.

PRODUCT SPECIFICATIONS

SPECIFICATIONS, continued

DRAWER SPECIFICATIONS

Drawer bodies consist of ½" particle board core with black vinyl surface and mitre fold construction. As an option, maple hardwood with dowel construction and a clear lacquer finish is available.

Veneer and laminate wood grain drawer faces are vertically matched, individually and across desks and credenzas.

Box Drawers:
- 3½" inside height x 15⅜", 21", or 25⅝" deep (depending on overall depth of pedestal).
- Equipped with Accuride suspensions.
- Adjustable drawer divider included.
- Pencil tray included in top box drawer.

File Drawers:
- 9" inside height x 15⅜", 21", or 25⅝" deep (depending on overall depth of pedestal).
- Pedestals are letter size with 12¼" inside width.
- Side-to-side pendaflex filing is standard, front-to-back filing is available. Call factory for pricing.

Lateral Files:
- All lateral file drawers have 15⅜" inside depth, no matter the overall depth of file.
- Pendaflex filing

KEYBOARD MECHANISMS

Standard Adjustable Keyboard Arm:

Weber Knapp Micro Arm #14915

Click!t Adjustable Keyboard Arm:

Click!t is the latest "intuitive" keyboard arm, one hand...one motion raises it to working height. No knobs or levers to release, nothing in the kneespace to tear your clothes or bang your knees. Click!t offers over 10" of vertical adjustment, putting you into compliance with the newest ANSI/HFS-100 specifications. Click!t's tray adjusts for positive/negative tilt, to help keep the wrists straight, and can be shifted left/right of center to keep the user centered on the arm for unparalleled stability. Click!t is spring-assisted: it feels light as a feather in your hand and never drops into your lap.

- Height: 10.3"
- Tilt: ±15° (will become ±10°)
- Lateral: 4" (will become 5")
- Fully retracts on track as short as 18"

CUSTOMS

All custom work is welcomed. Please call the factory.

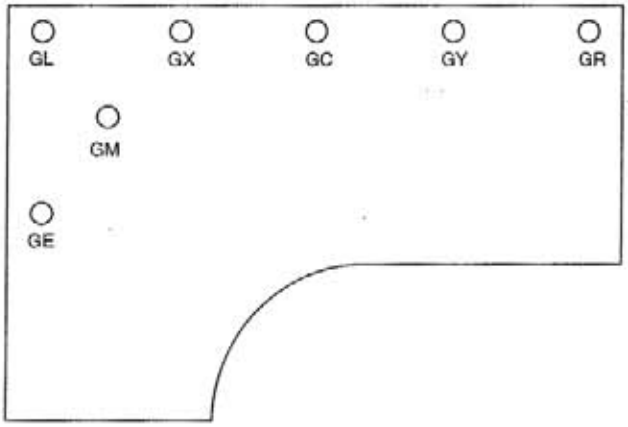
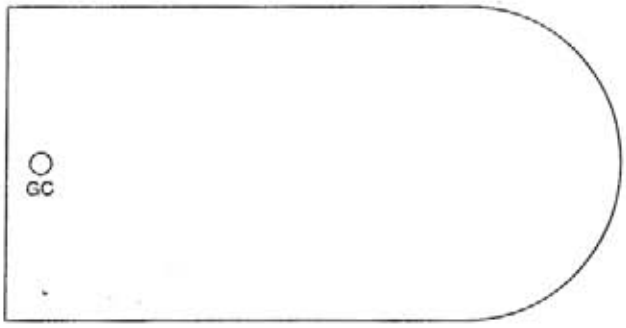
GROMMET LOCATIONS





LEGEND

Refer to the illustrations at left for all standard grommet locations.

A 3" round grommet with cover is standard.
GC is standard location unless otherwise specified.

Specify positioning as follows:

Common Combinations

G1	Pair of grommets at locations GL and GR
G2	Pair of grommets at locations GL and GC
G3	Pair of grommets at locations GC and GR
G4	Pair of grommets at locations GX and GY
G5	Three grommets at locations GL, GC and GR

Code	Position
GL	4" from left side - 4" from rear
GR	4" from right side - 4" from rear
GC	Centered side to side - 4" from rear
GX	Centered between GL and GC positions - 4 " from rear
GY	Centered between GC and GR positions - 4 " from rear
GM	12" from each side
GE	Centered front to back - 4" from side

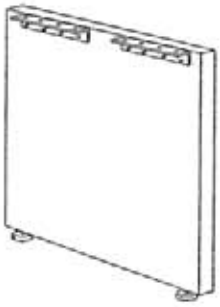
Dimensions are measured from grommet center to top edge.

Note: For other grommet locations call factory for pricing.

Standard grommet finishes are: black, dark grey, light grey, and beige.

WORKSURFACE SUPPORT PANELS

FULL LEG



MODEL NUMBER	SIZE D x H	WT.	OPTIONS BLACK	LAMINATE	VENEER
WSP 2029	20 x 27¾	19	90	145	265
