WINNING HANDS® ALCOHOL FOAMING

Alcohol Based Foaming Hand Sanitizer

Winning Hands® Alcohol Foaming hand sanitizer kills 99.99% of common germs that can cause disease and does not require water or towels. Fun to use and cost effective, the rich foaming lather delivers thorough sanitizing while using less liquid than traditional gel hand sanitizers. Soothing texture and light fragrance leave hands feeling smooth & fresh, encouraging frequent hand sanitizing.

Uses

- For use in a variety of public facilities including schools, daycare centers, hospitals, nursing homes, physician's offices, dental offices and clinics.
- Hand sanitizer to reduce microorganisms on the skin.
- Use this product when soap and water are not available.

Performance Benefits

- Kills 99.99% of common germs that cause disease.
