Pillow-Soft®

Seating

Seating with significance.

The look you want.
The comfort you deserve.

Pillow-Soft chairs combine comfort, style and selection to deliver the ultimate seating experience. These executive level chairs combine thick, memory-foam cushioning with built-in lumbar support to reduce fatigue and increase comfort. The plush tufted leather or fabric upholstery is durable and stain-resistant, and the optional solid hardwood accents add a touch of sophistication. With a versatile selection of styles and functionality, it's easy to achieve a refined, consistent aesthetic throughout every area of your space, without sacrificing comfort.

Pillow-Soft seating merges whole-body support with an authoritative presence. The thick foam seat has a top layer of memory foam* to relieve pressure points. The back is fiber padded with a lumbar-cradling recess at the base, making this seating solution a top choice among business owners and independent professionals. You'll love the look, the comfort and the value.

*2090 and 2190 Series high- and mid-back chairs only.
