Product Overview

PF-60 DOCUMENT FOLDER

A fast, dependable & easy-to-use solution for virtually all folding applications

Key Capabilities

- An intuitive control panel makes for easy setup and walk-up-and-use operation
- Drop-in feed system has a loading capacity of 500 sheets with no paper fanning required
- Accommodates 11", 14" and 17" paper sizes as well as documents up to 18" L by 12.25" W
- With 6 popular folds clearly marked, simply slide the fold stop to the desired fold and go
- Pre-marked fold types include C, V, Z, Gate, Fold-Out and Double Parallel
- Fold plates can be easily adjusted to produce custom folds
- Self-centering side guides and skew adjustment ensure that paper is loaded and feeds squarely
- Insulated fold plates reduce operating noise while crisply folding up to 15,000 sheets per hour
- Telescoping stacker holds up to 500 folded documents in neat and sequential order
- 6-digit counter keeps a running total or allows a pre-entered number of sheets to be folded
