Part Number(s):

1 Gallon: CBO1D017B03
4/1 Gallon: CBOOD017B03
5 Gallon Pail: CBOOD017B05-S5

Specifications:

Body Shop Safe
Phosphate Free
NPE Free
Biodegradable

Characteristics

Function:	Remove dirt and grime
Surfaces:	Exterior plastic, chrome, glass, rubber, plastic and vinyl
Formulation:	Water-based solution
Rinsing:	Beading
Color:	Bright pink
Fragrance:	Cherry

Key Benefits

- pH balanced formula safe for all paint types
- Foam lifts and holds dirt in suspension, preventing scratching and re-depositing
- Highly concentrated formula reduces usage costs
- Contains carnauba wax that intensifies shine and increases beading action

How to use

1. Mix 5 ounces of soap in 5 gallons of water (1:128).
2. Wet vehicle with cool water and apply soap solution.
3. Do not allow soap solution to dry on surface.
4. Agitate solution with sponge or wash mitt, including wheel wells (using separate mitt).
5. Rinse vehicle from top down, using low pressure.
6. Remove excess water with chamois.

TIPS:

Do not wash vehicle in direct sunlight
Mix as directed. Over concentration of quality soaps can lead to unwanted streaking.
