Carpet Extraction Cleaner

A one step extraction cleaner designed to clean & restore carpets and upholstery to a deep-cleaned look and clean smell.

- Formulated with a synergistic blend of detergents to clean carpets for one-step extraction cleaning.
- Can also be used for pre-spray methods, followed by a hot-water extraction rinse.
- Ideal for essentially all commercial carpet applications.
- Designed for use with portable extractors or truck-mounted systems to clean carpets, upholstery, and water-safe fabrics.
