CLEAN QUICK® BROAD RANGE QUATERNARY SANITIZER

This is an EPA-registered broad range, liquid quaternary sanitizer. It is EPA approved for efficacy tolerance from 150 to 400ppm. It is EPA Registered as being effective against Avian Influenza A when used as a disinfectant. It sanitizes without leaving Chlorine bleach odors. Usage is one ounce per 5.5 gallons of water to obtain 200 ppm sanitizer concentration. Quaternary Test Strips (QT-40 or equivalent) must be used to determine the concentration.

Clean Quick® Broad Range Quaternary Sanitizer is available in 1-gallon bottles, 3 per case.
