INFORMATION ON ORDERING PARTS

When parts are needed to repair HON products, the following guidelines should be followed to expedite the process.

1. Warranty orders are submitted on HON Ready via the Quick Claim tool.
2. There are no discounts applied to parts. Pricing quoted is the net value. Parts pricing is subject to change without notice.
3. For a part not covered by warranty applicable shipping charges will apply.
4. All keys are $6.00 each plus a shipping and handling fee of $3.00 per shipping location.
5. Parts may be paid for with an approved credit card. Approved Cards: MasterCard, VISA and American Express.
6. Payment terms for invoiced parts are Net 30 days.
7. Due to short leadtimes on parts, no changes will be accepted after the order has been placed.
8. When placing a **warranty** parts order:

   If the product is under warranty, the product serial number must be provided. Most finished goods products have a serial number placed on them at the factory. The label containing the serial number is located:

   Vertical Files — right side of the uppermost drawer

   Lateral Files — left side of the uppermost drawer or shelf

   Desk Towers — outside of top drawer

   Desks, Credenzas, & Returns — on the outside, kneespace side of the top drawer. Fully extend the drawer to find it.

   Desks, Credenzas, Corner Units, Bridges, Peninsulas & Returns without drawers — underside of top

   Tables and Stands — underside of the top

   Table Trucks — underside of side rail

   Cabinets & Bookcases — left inner side of the case

   Modular Component Top and Backs — underside of top

   Modular End Panels — top inside surface

   Reception Stations — top inside surface of back panel

   Organizers — top inside surface of left end panel near back panel

   Vertical Paper Manager — back panel inside surface near top

   Pedestals — bottom drawer right side exterior

   Seating — underside of the seat

   Panels — underside of the top cap

   Hutches, Storage Units, Overhead Storage — underside of the shelf

   Hanging Bookshelves — underside of shelf

NOTE: Removal of the serial number tag from the product voids the warranty.

An important note regarding Product Serial Numbers:
HON desks, tables, chairs, files and systems components are tagged with a serial number. This number helps us identify *when and where your product was made,* and to identify and correct the root causes for the problem. NEITHER THE DEALER NOR THE CONSUMER SHOULD REMOVE THIS TAG UNDER ANY CIRCUMSTANCES. To do so immediately voids your Warranty coverage for that particular item *and prevents us from further identifying it.* Instead, please transcribe the number and call your Dealer.
