ASTIR™ COLLABORATIVE WORK SEATING

Astir™ Collaborative Work Seating shown with Birk™ Tables and Acoustic Solutions by Unika Vaev.

ASTIR™

Astir™ Collaborative Work answers the call for soft seating solutions while providing separate work spaces and sturdy posture support for those looking to step away from their desks. The line provides a soft yet upright sit to keep employees engaged and working comfortably at a table setting. High-back and side options help keep private conversations private — so teams don't have to be confined in close quarters, such as a conference room. And a unique, single-seat style with high screens on three sides creates a quiet, secure, and comfortable space for individual focus.

FEATURES

- Seat height and back angle are scaled for more of an upright working posture.
- Choose from One+, Two-, or Three-Seat Lounges in low- or high-back options.
- High-back screens available in knit mesh or fabric options provide visual privacy on back and sides.
- Fabric high-back screen option available in cleanable fabrics (see HON's cleaning guide for instructions).
- Choose from three different leg styles to customize your look.
- Two- or Three-Seat Benches add extra seating for commons or reception areas.
- Pouf model functions as both impromptu seating and a place to kick up your feet.
- Replaceable seat cushion enhances comfort and cleanability, and allows for easy changing.
- With the multi-fabric options, seat cushion and frame can be specified in different fabrics for a modern aesthetic.
- Add an optional power module to route power directly underneath the seat.

Cliq™ Seating shown with Preside® Table and Credenza.

CLIQ™

Some of the best work results from a collaborative effort. That's why Cliq brings people together. Designed with a weight-activated control that responds to your body and its movements, Cliq just gets you — providing instant comfort without a lot of adjustments. It's light-scaled for a modern look that's also easy to maneuver around wherever the group discussion takes you. Available as a task chair or stool, Cliq features a wide selection of fabric choices and frame and mesh colors. Intuitive, stylish, and supportive — it just clicks with any collaborative environment.

FEATURES

- Intuitive functionality and design provides comfort and support without the need for multiple adjustments.
- Weight-activated control automatically adjusts to you as you sit.
- Thin profile offers a modern aesthetic, while a wide range of fabric choices ensures the perfect look within any space.
- 4-Way Stretch Mesh flexes in every direction to dynamically move with you — available in 7 colors.
- Choose between fixed arms or armless to get exactly the look you want.
- Task Chairs are available with a conference cylinder or task cylinder so you can choose the chair that best fits your space.
- Task Stools feature an adjustable footring for additional lower body support.
- One-touch seat height adjustment easily moves the seat up and down.
- Choose from 3 frame options: Black, Titanium, and Designer White.

Convergence® Task Chairs shown with Empower® Height-Adjustable Workstations.

CONVERGENCE®

What happens when support and affordability come together? Convergence. This is the task chair that is as attainable as is it comfortable with customizable features. Lumbar support that adds a little extra lower back comfort. Thick seat cushions to take the stress off the lower body throughout the day. Arm choices that let you decide how much upper body support you want. A breathable mesh back that flexes and responds to your movements. Convergence puts all the features you're looking for into one low-priced task chair.

FEATURES

- Choice of swivel tilt or synchro-tilt control with seat slide.
- Black mesh back is breathable for all-day comfort and support.
- Comfort options include adjustable lumbar support, adjustable arms, seat glide and synchro-tilt.
- Three arm options.
- Two control options.
- Integrated handle on the back makes it easy to move and reposition the chair.
- Hard casters move effortlessly on any surface.
- Black frame sits atop a durable five-star base.
- Warranted for users up to 275 lbs.
- 3" thick seat cushion.

Leg options – Standard Leg (L), Tapered Square (TS) and Tapered Round (TR) are available in Textured Silver (PR8) and Textured Charcoal (P7A) only. Hard Casters (H) are available on Black (T) only.

While the top surface of the ottoman is flat, modular models (pages 331-332 and 335-337) have a slight angle to their seats. Therefore, there will not be alignment between these units when placed side-by-side.
