Product Information

Power2Clean

Description:

A medium duty, water-based, general purpose biodegradable cleaner/degreaser that removes oil, grease and grime from all vehicle exterior surfaces. Safe for oil/water separators. Phosphate & NPE-free.

Cleaning Strength:

Part Number(s):

CBO1E043G03: 1 Gallon
CBOOE043G05-S5: 5 Gallon

Specifications:

VOC Compliant
Body Shop Safe
Phosphate Free
NPE Free
Biodegradable
Water Based
Concentrated

Characteristics

Function:	Medium Duty Degreaser
Surfaces:	Engine, engine compartment, wheel wells, door & trunk jambs, gas cap compartment, rocker panels and
pH:	>13
Formulation:	Water-based solution
Corrosiveness:	High (caustic)
Color:	Blue
Fragrance:	Unscented

Key Benefits

- Environmentally friendly, bio-degradable, phosphate-free formulation
- Active solvents dissolve heavy petroleum-based contaminants
- Fortified surfactants loosen and remove stubborn dirt and grime
- Concentrated formula reduces usage costs
- Safe for oil-water separators.

How to use

1. For best results, first pressure rinse heavy oil, grease and grime build-up.
2. Spray product directly on surface to be cleaned, and allow to dwell for one minute.
3. Pressure rinse thoroughly.
4. Dilute as follows:
   Heavy Cleaning - 1:5
   Medium Cleaning - 1:10
   Light Cleaning - 1:15
