TECHNICAL DATASHEET

MICROBAN 24® Bathroom Cleaner

Microban 24® Bathroom Cleaner is an EPA approved 1-step cleaner, disinfectant and sanitizer that provides 24-hour protection against bacterial growth on hard surfaces while providing excellent soap scum removal performance. Microban 24 also provides antifungal protection for up to 7 days on hard surfaces and 28 days on fabric. Microban 24 does not contain bleach, phosphates or nonylphenol ethoxylates and complies with VOC regulations in all 50 states.

Concentration	Ready to Use
