Irwin Seating Company

Mississippi State Contract Fixed Audience Seating & Telescopic Seating Systems

Issued 4-17-2023

Irwin Seating Company®

INFORMATION:

Pricing shown is LIST PRICE and subject to contract discounting as required.

Pricing is good for product shipping through term of contract.

All pricing is based on product configuration as per the description. Changes in configuration will effect pricing.

All pricing is based on using customer's own material (COM) or Grade 1 fabric. See chart for adds for other fabric grades.

All pricing is based on indoor use. Check with your sales representative for pricing for product configured for outdoor use.

All pricing is based on standard finishes. Exposed hardwood components are Northern Grown Maple. Custom colors, finishes and wood species available - see your sales representative for pricing.

All power and data is based on 110V power and accommodation for owner provided data systems. USB power is extra and priced by project.

Accessories are priced per item, not per chair, unless otherwise noted.

Model		Description	750+	250-749	100-249	25-99	10-24	1-9
Citation 90.12.00.4		• No. 90 Citation back with polymer rear panel, upholstered cover over 2” foam • No. 12 self rising seat with ergo substrate • No. 00 open aisle standards • No. 4 chair platform (steel) • Comfort curved polymer arms • Floor mount	380.00	394.32	408.63	489.58	778.68	1229.00
Citation 90.12.10.4		• No. 90 Citation back with polymer rear panel, upholstered cover over 2” foam • No. 12 self rising seat with ergo substrate • No. 10 aisle panel with laminate insert panel • No. 4 chair platform (steel) • Comfort curved polymer arms • Floor mount	385.03	399.50	413.97	495.88	784.98	1235.30
Citation 90.12.86.4		• No. 90 Citation back with polymer rear panel, upholstered cover over 2” foam • No. 12 self rising seat with ergo substrate • No. 86 laminate surfaced aisle panel • No. 4 chair platform (steel) • Flat solid hardwood arms • Floor mount	406.65	421.77	436.88	522.90	812.00	1262.32
Millennium 91.12.00.4		• No. 91 Millennium back with polymer rear panel, upholstered cover over 2” foam • No. 12 self rising seat with ergo substrate • No. 00 open aisle standards • No. 4 chair platform (steel) • Comfort curved polymer arms • Floor mount	380.00	394.32	408.63	489.58	778.68	1229.00
Millennium 91.12.10.4		• No. 91 Millennium back with polymer rear panel, upholstered cover over 2” foam • No. 12 self rising seat with ergo substrate • No. 10 aisle panel with veneer insert panel & cantilevered mounting foot • No. 4 chair platform (steel) • Comfort curved solid hardwood aisle arms, polymer center arms • Floor mount	401.25	416.20	431.15	516.15	805.25	1255.57

Signature 71.12.54.54		• No. 71 Signature back with polymer rear panel, one-pleat cover, 38” height • No. 12 self rising seat with ergo substrate • No. 54 cast iron aisle panel • No. 54 chair platform (cast iron) • Integral cast arms • Floor mount	596.60	617.42	638.23	760.35	1049.45	1499.70

Model	Description		100+	25-99	10-24	1-9
Tablet Arm Chair 6.70		• No. 6 polymer shell • No. 70 fixed writing tablet • Pedestal floor mount	242.98	460.40	749.50	1199.82
Tablet Arm Chair 6.71		• No. 6 polymer shell • No. 71 folding writing tablet with laminate surfaced armrest • Pedestal floor mount	479.90	518.07	807.17	1257.48
Tablet Arm Chair 7.71		• No. 7 padded & upholstered polymer shell • No. 71 folding writing tablet with laminate surfaced armrest • Pedestal floor mount	572.05	614.82	903.92	1354.25

Model	Description	1-9
Focus ADA Table 920.11.11.0.2	• No. 920 strip table platform • No. 11 laminate surfaced table with T-mold edge, 20” deep, straight configuration • No. 11 laminate surfaced modesty panel with T-mold edge, 15” height • Owner / third party supplied seating • E-Link system with Axil 2.2 table top unit and power in-feed pedestal • Per 30” wide “sitting” • For ADA locations in combination with fixed seating	1367.05
Focus ADA Table 920.11.0.0.0	• No. 920 strip table platform • No. 11 laminate surfaced table with T-mold edge, 18” deep, straight configuration • No modesty panel • Owner / third party supplied seating • No E-Link system • Per 30” wide “sitting” • For ADA locations in combination with fixed seating	650.77
Focus ADA Table 920.11.11.0.2	• No. 920 strip table platform • No. 11 laminate surfaced table with T-mold edge, 20” deep, radius configuration • No. 11 laminate surfaced modesty panel with T-mold edge, 15” height • Owner / third party supplied seating • E-Link system with Axil 2.2 table top unit and power in-feed pedestal • Per 30” wide “sitting” • For ADA locations in combination with fixed seating	1342.08
Focus ADA Table 920.11.0.0.0	• No. 920 strip table platform • No. 11 laminate surfaced table with T-mold edge, 18” deep, radius configuration • No modesty panel • Owner / third party supplied seating • No E-Link system • Per 30” wide “sitting” • For ADA locations in combination with fixed seating	650.77

Accessory		Description	750+	250-749	100-249	1-99
No. 12 Seat w/ suspension substrate		• Change No. 12 seat from ergonomic cushion to serpentine spring cushion assembly	11.00	11.33	11.67	13.75
No. 6 Steel Seat		• Change No. 12 seat to No. 6 Steel Seat w/ serpentine spring cushion assembly	53.23	54.83	56.43	66.55
Anchors 1/4" Hilti floor		• 3-1/4 x 1/4 Hilti expansion floor mount anchor • 2 anchors per standard are required • Price per chair	2.28	2.35	2.43	2.87
Anchor Caps 1/4" floor		• Black steel anchor caps for floor mount chairs • Price per chair	0.98	1.02	1.03	1.23
Foot Shroud		• Rubber foot shroud for No. 4 chair platform • Floor mount only • Available in all standard plastic & powder coat colors • Price per chair	21.52	21.92	22.32	24.82
Aisle Light Focal LED		• Black plastic housing surface mounted on aisle panel • 12 volt LED, white illumination (5,000°k) • Standards are provided pre-wired with min. 2 foot lead • Connection to power supply is responsibility of licensed electrical contractor • Transformer required	194.42	200.25	206.07	243.02
Aisle Light Concealed LED		• 12 volt LED fixture placed in arm recess • Warm white illumination (2900-3200°k) • Standards are provided pre-wired with min. 2 foot lead • Connection to power supply is responsibility of licensed electrical contractor • Transformer required	140.03	144.23	148.43	175.03
Aisle Light Transformer		• Converts 120v power to 12v for light fixtures • Provides service for up to 100 lights per circuit • Connection to power supply is responsibility of licensed electrical contractor	788.22	811.85	835.50	985.27

Accessory		Description	750+	250-749	100-249	1-99
ADA Flip-Up Arm		• Open aisle end standard with armrest that rotates up to allow transfer from wheel chair • Provided with standard ADA recognizable label • Steel standards (Nos. 4, 8, 17 chair platforms)	72.12	74.30	76.47	90.18
ADA Flip-Up Arm		• Open aisle end standard with armrest that rotates up to allow transfer from wheel chair • Provided with standard ADA recognizable label • Cast iron standards (Nos. 201, 202, 54 & Dimension chair platforms)	343.17	353.45	363.75	428.95
ADA Movable Base		• Shoes & Stretcher assembly for reverse anchoring chairs to floor to allow removal for wheel chair space when needed • For two chair space • Price per chair	115.72	117.68	119.65	132.13
E-Link System Auditorium Chairs		• 120v power receptacle provided every other chair standard to provide access to each chair • U.L. Listed, snap-together components • Steel channel and plastic covering • Connection to power supply is responsibility of licensed electrical contractor • Price per chair	300.15	307.92	315.67	364.78
Writing Tablet		• 100 square inch, self storing writing tablet meets NFPA 101 life safety code • Constructed from 9-ply hardwood surfaced on the top and bottom with high pressure plastic laminate • For No. 4 chair platform	153.87	158.48	163.10	192.33
Writing Tablet		• 120 square inch, self storing writing tablet meets NFPA 101 life safety code • Constructed from 9-ply hardwood surfaced on the top and bottom with high pressure plastic laminate • For No. 4 chair platform	156.82	161.52	166.22	196.02
Writing Tablet		• 151 square inch, self storing writing tablet meets NFPA 101 life safety code • Constructed from 9-ply hardwood surfaced on the top and bottom with high pressure plastic laminate • For No. 4 chair platform	164.55	169.48	174.42	205.68

Accessory	Description	750+	250-749	100-249	1-99
Writing Tablet	• Tru-fold 98 square inch writing tablet • Constructed from 9-ply hardwood surfaced on the top and bottom with high pressure plastic laminate • For Nos. 8 or 30 chair platforms	153.87	158.48	163.10	192.33
Writing Tablet	• Tru-fold 105 square inch oversized writing tablet • Constructed from 9-ply hardwood surfaced on the top and bottom with high pressure plastic laminate • For Nos. 8 or 30 chair platforms	165.20	170.17	175.12	206.50
Writing Tablet	• 150 square inch self-storing oversized writing tablet • Constructed from 9-ply hardwood surfaced on the top and bottom with high pressure plastic laminate • For No. 149 film room chair platform	272.33	280.50	288.67	340.42

Accessory	Description	750+	250-749	100-249	1-99
Row Letter Plates	• Oval 5/8" x 1-5/8" aluminum • Available in clear or bronze finish • Placed in aisle arm recess attached with brads • For wood / laminate armrests only	8.75	8.97	9.18	10.52
Row Letter Plates	• Round 2" aluminum • Available in clear or bronze finish • Placed in aisle panel recess attached with brads • Surfaced mounted to steel panels with rivets	11.70	12.00	12.30	14.20
Row Letter Plates	• Clear aluminum row letter plates for stadium chairs • Sizes and styles vary by aisle standard	8.75	8.97	9.18	10.52
Seat Number Plates	• Oval 5/8" x 1-5/8" aluminum • Available in clear or bronze finish • Placed in seat pan recess attached with rivets • For No. 12 seat only	5.80	5.93	6.05	6.85
Seat Number Plates	• Clear aluminum plates for stadium chairs • Placed in recess of back and attached with rivets • Sizes and styles vary by back style	5.80	5.93	6.05	6.85
