Big Surf

NON-BUILT
SURFACTANT

Product Properties

COLOR: Blue
ODOR: Lemon
pH: 10
SPECIFIC GRAVITY: 1.02

Description

This rich liquid represents the latest in the development of liquid surfactants. Its high concentration and exceptional detergency allow it to be effectively used in heavy commercial laundry applications when a builder/break is added. It removes a wide variety of soils completely without damage to even sensitive fabrics.

This surfactant rinses well and will not buildup on fiber. It also will not fade bright colors or gray whites. This surfactant contains no harsh alkalis or acids which can be unsafe to the operator.

Features...Benefits

Concentrated ..... Economical
Hard Water Tolerant..... Improved Performance
Non-Foaming..... Improved Results

Directions

Program dispenser to add correct amount of softener with final rinse water. After all items of liquid system are set, run test load of soiled linens. Check for alkali or acid residue and adjust break or neutralizer as needed.
See your sales representative for specific laundry handling instructions.

Safety Information

WARNING
Causes serious eye irritation. Causes skin irritation.
Read label before use. If medical advise is needed, have product container or label at hand.
Do not get in eyes or on skin. Wear eye protection and protective gloves.
IF ON SKIN: Wash with plenty of soap and water. Take off contaminated clothes and wash before reusing. If skin irritation occurs get medical attention.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.
If eye irritation persists, get medical attention.
Wash hands after handling.
