HTDD

PRODUCT DESCRIPTION

HTDD is a heavy duty liquid chlorinated mechanical dishwashing detergent formulated for high temperature dish machines.

OPERATOR BENEFITS

Removes stubborn food soils in varying water conditions.
Very economical per rack cost.
Safe on china, glass, plastic and metal tableware.
Rinses easily to eliminate filming.

DIRECTIONS FOR USE

Carefully open the container.
Insert the detergent pickup tube into the container opening.
The detergent will then be dispensed automatically into the dish machine.
When the container is empty replace with new container.
Return the container to a Chemical Products & Systems, Inc. serviceman. Do not reuse container.
