INFORMATION:

Pricing shown is LIST PRICE and subject to contract discounting as required.

Pricing is good for product shipping through term of contract.

All pricing is based on product configuration as per the description. Changes in configuration will effect pricing.

All pricing is based on using customer's own material (COM) or Grade 1 fabric. See chart for adds for other fabric grades.

All pricing is based on indoor use. Check with your sales representative for pricing for product configured for outdoor use.

All pricing is based on standard finishes. Exposed hardwood components are Northern Grown Maple. Custom colors, finishes and wood species available - see your sales representative for pricing.

All power and data is based on 110V power and accommodation for owner provided data systems. USB power is extra and priced by project.

Accessories are priced per item, not per chair, unless otherwise noted.
