CLEAN RINSE DRY CONCENTRATE

PRODUCT DESCRIPTION

Clean Rinse Dry concentrate is a heavy duty liquid mechanical dishwashing drying additive formulated for low temperature and high temperature dish machines.

OPERATOR BENEFITS

Proven time saver by promoting rapid and effective drying which eliminates the need for towel drying.
Eliminates water spotting and streaking.
Safe on china, glass, plastic and metal tableware.
Very economical per rack cost.

DIRECTIONS FOR USE

Carefully open the container.
Insert the detergent pickup tube into the container opening.
The detergent will then be dispensed automatically into the dish machine.
When the container is empty replace with new container.
Return empty container to a Chemical Products & Systems, Inc. serviceman. **Do not reuse container.**
