# CUT-THRU™ VC

## Natural Solvent Cleaner and Deodorizer

SPECIMEN

**Read the entire label before using this product.**

**Si usted no entiende esta etiqueta, pida a alguien que sepa inglés que se la explique completamente antes de usar este producto.**

- **Natural solvent action - ideal all-purpose cleaning for most soils and on many surfaces; won't harm glass or anodized aluminum**
- **User friendly - contains no harsh acids, caustics, or chlorinated solvents**
- **Fresh scent - natural citrus fragrance**
- **Free rinsing - leaves no residue**

CUT-THRU VC cleans and deodorizes in one step. Its tough solvent action dissolves grease and grime and removes adhesives, ink, and tar from floors, walls, equipment, and machinery.
Suitable for use as a solvent cleaner in non-processing areas of Federally inspected meat and poultry plants.

**DIRECTIONS FOR USE**
**NOTE:** Product may attack paint, rubber, or certain plastics. Always test in a small, inconspicuous area before use.
**GENERAL-PURPOSE CLEANING:** Dilute 1 part CUT-THRU VC with 15 to 30 parts water, depending on the density of the soil to be removed. Apply liberally to soiled areas using a mop, rag, brush, or a One- or Two-gallon Heavy-Duty Sprayer. Allow the product to work for 5 minutes. Rinse with water. (Following the use of CUT-THRU VC on food processing equipment and utensils, they must be thoroughly washed with a suitable detergent and rinsed with potable water before return to food-processing areas.)
**ODOR CONTROL:** For use in refuse bins, garbage trucks, and trash pails, add 4 to 8 fl oz CUT-THRU VC to 1 gallon water.
**For enhanced deodorizing and cleaning with other water-based cleaners:** Add 2 fl oz CUT-THRU VC per gallon of product.
**KEEP FROM FREEZING.** If this product is stored in cold or freezing temperatures, it may separate or thicken. This will not harm the performance. Before using, warm to room temperature and stir thoroughly.

# WARNING

**COMBUSTIBLE LIQUID AND VAPOR • CAUSES SKIN IRRITATION • CAUSES SEVERE EYE IRRITATION • MAY CAUSE ALLERGIC SKIN AND RESPIRATORY REACTION • MAY BE HARMFUL IF INHALED • HARMFUL IF SWALLOWED**

**INTENTIONAL MISUSE BY DELIBERATELY CONCENTRATING AND INHALING THE CONTENTS CAN BE HARMFUL OR FATAL.**
Contains d-Limonene and Hexylene glycol. Do not use or store near heat, hot surfaces, sparks, or open flame. Keep the container closed when not in use. Do not get on skin, in eyes, or on clothing. Wear neoprene or nitrile rubber gloves, chemical goggles, and protective clothing when handling. Wash thoroughly after handling. Avoid breathing the vapor or mist. Use sufficient ventilation to prevent the buildup of vapor or mist. Inhalation may cause headache, dizziness,or drowsiness. Do not swallow.
**DANGER:** Ingestion and subsequent vomiting of this product can lead to aspiration of the product into the lungs, which can cause damage and may be fatal.
**NOTE:** Those individuals who are sensitive to orange-oil-based products containing d-Limonene may have an allergic skin or respiratory reaction to this product. If such a reaction occurs, discontinue use and consult a physician.
Prolonged or repeated exposure may cause liver, kidney, and nervous system damage and may cause skin and respiratory sensitization.

CSPA Product Care®

**FIRST AID**
**FOR SKIN CONTACT:** Wash affected areas with large amounts of soap and water for 15 minutes. Remove contaminated clothing and shoes. Seek medical attention if irritation persists. Wash clothing and clean shoes before reuse.
**FOR EYE CONTACT:** Immediately rinse the eyes with water. Remove any contact lenses and continue flushing for at least 15 minutes. Hold the eyelids apart to ensure rinsing of the entire surface of the eyes and lids with water. Get immediate medical attention.
**IF INHALED:** Remove from the area to fresh air. If not breathing, clear the airway and start mouth-to-mouth artificial respiration. Get immediate medical attention.
**IF SWALLOWED:** Give 3 to 4 glasses of water, but DO NOT induce vomiting. If vomiting occurs, give fluids again. Get immediate medical attention. Do not give anything by mouth to an unconscious or convulsing person.
