FIRST AID

IF ON SKIN: Wipe away material with a cloth. Gently wash with plenty of soap and water. If skin irritation or rash occurs, get medical attention. Wash contaminated clothing before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

IF INHALED: If dust is inhaled, remove to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms, call a physician.

IF SWALLOWED: Rinse mouth. DO NOT induce vomiting. Call a physician if unwell.

See the Safety Data Sheet for more information.

For medical or environmental emergencies, call CHEMTREC® at 1-800-424-9300.

NET WEIGHT: 5.7 oz/162 g

Easily masks odors caused by mold, mildew, sewage, vomit, and animal waste and is excellent for use in Dumpsters®*, garbage bins, refuse containers, trash receptacles and back door areas located at

Institutions	Municipal Buildings
Bottling Plants	Restaurants
Breweries	Schools
Country clubs	Sewage Plants
Food processing plants	Veterinary clinics
Golf courses	Zoos (around animal cages)
Hospitals	Concession stands

May also be used in

Bathrooms	Locker Rooms
Spas	Day Care Centers
Elevator Shafts	Nursing Homes
Fleet vehicles/trucks	Recycling centers

*Registered TM Toccoa Metal Technologies

DIRECTIONS FOR USE

Liberally sprinkle a generous amount into the garbage bin. It should be applied before, during, and after filling. The amount used and the frequency of use depend on the level of odors needing to be controlled. Close the lid tightly after each use. Reapply as needed to control odors.

STORAGE AND DISPOSAL: Store in a well-ventilated place. Dispose of contents and container in accordance with applicable regulations.

DANGER: Contains Perlite, Vermiculite and d-Limonene. Wear protective gloves, protective clothing and eye protection. Wash face, hands and any exposed skin thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace. Keep the container closed when not in use. Do not breathe dust or vapor. Use in a well-ventilated area. Do not eat, drink or smoke when using this product.

NOTE: Those individuals who are sensitive to orange-oil-based products containing d-Limonene may have an allergic skin or respiratory reaction to this product. If such a reaction occurs, discontinue use and consult a physician. 83 % of the mixture consists of ingredient(s) of unknown toxicity.
