DIRECTIONS:

STEP 1: Place traffic lane closures in work area to prevent pedestrian traffic.

STEP 2: Using a dull blade remove any stickers, labels and gum from the floor.

STEP 3: Using a diluted solution or neat, mop on a solution of stripper.

STEP 4: Do not allow to dry on floor. Using a mop or a buffing pad with a stripping pad, remove finish.

STEP 5: Repeat if necessary then rinse stripper and old finish with clean water and allow to dry.

CAUTION:
May cause eye and skin irritation
Contains: Glycol Ether EB, Ethanolamines

Keep out of reach of children. Do not get into eyes. In case of contact flush with plenty of water. If irritation persists, get medical attention. Do not take internally. Avoid contamination of foods. For industrial use only.
