DEODORIZER CONCENTRATE
MALODOR DEACTIVATOR
AND SUPPRESSANT

This super concentrated malodor deactivator can be used 3 ways: 1) Use straight to address industrial malodors, 2) Dilute and use as a contact or space spray or, 3) Use as a mop solution additive to address large open areas. **TROPICAL CDO** uses a micro emulsion technology to release all the active ingredients for the most effective malodor control.

DIRECTIONS FOR USE

Space Spray: Use **TROPICAL CDO** straight and spray in a wide trigger spray pattern setting towards the center of the room.
Contact Spray: Use **TROPICAL CDO** straight and spray in a wide trigger spray pattern directly on the source of the malodor.
Mop Additive Solution: Use **TROPICAL CDO** at a dilution of 2 oz. to 8 oz. per gallon.
Extraction Additive: Use **TROPICAL CDO** at a dilution of 2 oz. to 8 oz. per gallon.
Carpet and Upholstery Spray: Use **TROPICAL CDO** at a dilution of 2 oz. to 8 oz. per quart for general use.

GREAT FOR THESE APPLICATIONS

Mop Solution Additive	Carpet Extraction	Drip System Solution

WARNING
Causes Serious Eye Damage

Precautions

Wash hands thoroughly after handling. Wear eye protection and protective gloves.

In case of fire: Use ABC-powder to extinguish. Store in well-ventilated place. Keep cool. Dispose of contents/container to an approved waste disposal plant.
Firefighting Instructions: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment. Suitable extinguishing media: Foam, dry powder, carbon dioxide, water spray, sand.

FIRST AID

Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice. (Show label where possible.) **Inhalation:** Allow victim to breath fresh air. Allow victim to rest. **Skin Contact:** Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse. **Eye Contact:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention/advice. **Ingestion:** Rinse mouth. DO NOT induce vomiting. Obtain emergency medical attention.

Precautions for Safe Handling

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor.
