Gateway tables are beautiful and extremely functional. They are available in stationary and nesting styles. Order Gateway in occasional, seated, countertop, cafe and bar heights to coordinate throughout the space. Gateway's arched base provides easy accessibility to clean spills under the table base. The unique base design gives a lighter feel to these enormous tables that span up to 72" round. Options include power, data, cord management and modesty panels. If you can't find what you are looking for, custom is our standard.
