The Coby Apron collection embraces color to create vibrant offices, hospitality spaces and educational facilities that inspire and influence their emotions. Use the Stand-up Coby Apron table for huddle spaces and work places, and match them with our powered occasional tables in your lounge or Coby Apron conference tables in your collaboration areas. Specify the optional foot rails on the perimeter for stand-up tables or select the center foot rail for use with stools. If you can't find what you are looking for, custom is our standard.
