Suprox® - Heavy Duty

Heavy duty, highly concentrated formula contains stabilized hydrogen peroxide and natural citrus solvents that deliver effective cleaning for heavily soiled and greasy surfaces. Excellent for carpet spotting. Always pretest for colorfastness in an inconspicuous area. The hydrogen peroxide formulation also aids in brightening grout, enhancing the appearance of tiled surfaces. Dilutes at 5 ounces per gallon.

- Cleans with the power of peroxide.
- Versatile product saves time and money.
- Green Seal certified.

Technical Specifications

Appearance	Clear Liquid
Dilution Rate	1:26
Color	Colorless to light yellow
Scent	Citrus
Non Volatile Matter	6 - 8%
pH @ 25 deg. C	3.50 - 4.60

Safety

See material safety data sheet and product for safety information, handling and proper use.

Certifications, Registrations & Notes

Green Seal™ Certified

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. Acute toxicity, skin and eye damage met requirements at the as-used dilution, as specified for closed dilution systems. GreenSeal.org.

CRI Certified

The CRI Seal of Approval program tests cleaning effectiveness. Solutions are tested on overall cleaning effectiveness and the following criteria: rate of resoiling, pH level, surface texture change, optical brighteners and colorfastness.

Directions

For use with the Hillyard Arsenal One dispensing systems. Remove shipping cap and insert this container into the dispensing system. Secure the dispensing system cap to refill container. Dispense product by selecting the product on the dispenser control panel and press the button to dispense product into bottle. For bucket fill, attach bucket fill hose BEFORE dispensing product.

Use on washable, nonporous surfaces.

Heavy Duty Cleaning: Spray cleaning restrooms such as urinals, bowls, counters and fixtures, shower and locker cleaning, and general degreasing. Good for deodorizing urinals, toilet bowls, counters; fixtures, and garbage containers. A potable water rinse is required after contact with food contact surfaces.

Use at 1:25 dilution (5 oz./gallon of water).

Directions for use as a Carpet Pre-Spray 1. For use with Hillyard Arsenal 1 Dispensers. Remove shipping cap and insert container into bottom of dispenser until it locks into place. 2. Dispense diluted product into a pump-up pressure sprayer. 3. Vacuum the floor thoroughly. 4. Pre-spray carpet with diluted product from a pump-up pressure sprayer or trigger sprayer. Light agitation of carpet with a carpet brush will increase cleaning efficiency. Let product dwell for 5 minutes before extracting. 5. Wait overnight for the carpet to dry before walking on it. To dry thoroughly, open windows and use fans. 6. Once the carpet is completely dry, vacuum the carpet thoroughly. 7. This product is diluted at 5 oz. per gallon.
