Choices® System

Trendway®

Choices. We Make Them Easy.

It's really all about what's best for you. And we've made it easy with our Choices panel system. Whether it's touch down places, collaborative team spaces, personal work stations or tailored, managerial offices, you'll appreciate the proven quality and high performance solutions possible with Choices by Trendway. It's really that easy.

Choices with Height Adjustable Table and Code® Seating. Trim: Designer White | Laminate: Brazilwood | Panels: Pact Calla | Screen and Modesty: Frosted Plexiglass | Seating COM: Momentum Romeo's, Champagne Punch | Pull: Mod2

Extending Your Choices.

Choices makes it simple to create unique, inspiring and highly functional spaces. System elements integrate with Trig® Desking and Intrinsic® Freestanding — blending beautifully to provide almost limitless design flexibility. A broad selection of design options extend the possibilities even further — warm up the space with wood grain laminate, choose from one of five pull options, or use our Feek® coated foam solutions as guest seating or extra work surface area — the choice is yours.

Choices blended with Trig Desking and Storage, Code® Seating. Trim: Designer White | Laminate: Brazilwood | Panels: Pact Calla | Tackboard: Anchorage Green Apple | Screen and Modesty: Frosted Plexiglass | Pull: Mod2

Choices: Sometimes Less is More.

Looking for a more sustainable approach? Our *Less is More* Program makes it easy to create beautiful, responsible spaces with a pre-selected array of products and materials that create less waste in manufacturing, without sacrificing style or function.

Choices blended with Pack Storage, Sketch Seating, custom Feek® bench. Trim: Platinum | Laminate: Designer White | Panels: Tabby Weave Cement Mix | Flipper Door: Anchorage Aubergine | Pull: Mod2 | Sketch Seating: Black Mesh/Momentum Cover Cloth Vessel | Feek Fundamentals Bench in custom color (Sangria)

LAMINATES - More than 200 available.

TRIM COLORS

APPLIED PULLS

Choices System | Many options surround the Trendway Choices panel system with its slim, 2" thick frame.

Choices P-Leg work surface supports create a light and open aesthetic.

Counter Caps provide a transaction or reception work surface.

Power can be specified at the base raceway or above the work surface.

Deliberate opening at back of worksurface to support wire management.

Glazed panels offer greater visual access to natural light.

Storage gets mobile and serves as guest seating.

All tiles are pinnable and tackable.

Upper storage options can add a personal touch to an office.

Optional tackboards give added interest and function.

Choices Panels | Power and Data

TA Panel

Power and data is easily routed and accessed at the base.

FAP Panel

Power and data can be routed and accessed at the base. Data may also be routed at the beltway and under the top cap.

FAPB Panel

Power and data can both be routed and accessed at the base and beltway. Data can also be routed under the top cap.
