Brisk® Advanced Formula Laundry Detergent outperforms the competition in cold or hot water. Special dispersants keep clothes looking new wash after wash. High-tech brighteners make your whites and colors brilliant. Formulated with a fresh clean scent. Septic safe.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.

Directions

1. Pre-treat tough stains. Apply Brisk® Advanced Formula Laundry Detergent full strength onto the stain, rub firmly, and add to the washload.

   NOTE: Always check the care instruction label of the garment you are washing. Be sure to test colorfastness by presoaking an inside seam.
2. Select water temperature and washing machine cycle from the garment's care instruction label. Special soil dispersants in Brisk® Advanced Formula Laundry Detergent get clothes clean in any water temperature. Hot or Cold.
3. For Medium size loads–add the contents of one pack. For Large loads, heavily soiled clothes, or when washing in hard water–use 2 packs.
4. Add Brisk® Advanced Formula Laundry Detergent as the washing machine fills with water. Then add clothes. If bleach is desired, add bleach after the wash cycle has begun.

Chemical Characteristics

Appearance	Blue Liquid
Biodegradable	Yes
California Compliant	Yes
