TALON® All-Purpose Degreaser

NSF
Nonfood Compounds Program Listed A1,A2, A4, A8, B1, C1 #158496

This Cleaner-Degreaser is designed to work on contact. Spray it on and put its active ingredients to work. It dissolves grease on contact and quickly removes grime, oil, wax, dirt and tar. It's industrial strength, yet biodegradable and phosphate free. It tackles hundreds of household, automotive and shop tasks.

- Water Based
- Biodegradable
- Phosphate free
- Dissolves grease and grime on contact

Part No.	Description
0618081	1 qt Spray Bottle
0618082	1 gal Jug
0618083	5 gal Jug
0618084	55 gal Drum
