SPECIFICATION SHEET
DELUXE STYLE

STRUCTURAL FIREFIGHTING HOOD

A premier hood providing the best protection for firefighters by fully covering the shoulders, chest and back

FEATURES

- 3-Piece design for better fit
- TRU-FLAT™ flatlock seams for less thickness under the helmet thus improved comfort
- Heavy-Duty ½" elastic shall be sewn into the face opening for long lasting snug fit around the SCBA facepiece, preventing gaps
- Double-needle binded bottom for long lasting durability
- Sewn with Nomex® thread
- Compliant to NFPA 1971:2013
