Rokkitt

Active Perch / Stool

Rokkitt

Active Perch / Stool

Rokkitt is an adjustable, pivot and swivel perch providing active, rocking motion. Designed to offer the ideal height active seat to accompany most table, desk and dining heights, Rokkitt is a natural and perfect companion for sit-to-stand work areas. **Rokkitt** features a broad rounded rectangular-shaped base allowing a +/- 20-degree pivot. The similarly shaped seat swivels 360° and enables a rocking motion side to side or front to back.

Rokkitt Features

- 20 degree + / - pivot
- 360 degree seat swivel
- Rocks front-to-back or side-to-side
- 9″ travel pneumatic gas lift
- Non-slip, anti-squeak rubberized base
- Two (2) independent height adjustment buttons
- Commercial grade polyurethane foam seat

Any dimensions listed are width/depth/height overall. Reference current HPFi Price Book for complete descriptions.
