VENEER/FINISHES: Nienkämper offers a variety of wood veneer finishes. Product notes on each page indicate the finish available for that product.

All wood surfaces are protected with a durable 3-part water based UV finishing system. Optional 10 and 35 degree sheen levels are available but are not suitable for all wood species. Contact Nienkämper customer service at 1-800-668-9318 when specifying optional sheen levels.
